

Scholarship Awards

Academic Year: 2020-2021

DEADLINE: Friday, October 16, 2020

Scholarship Awards

The Intelligent Transportation Society of Wisconsin Scholarship Award is presented annually to students pursuing transportation operations in their studies and career aspirations. The scholarship is intended to provide partial financial support to students who have demonstrated an interest and are likely to work in a transportation-related field. The scholarship consists of a \$1,500 award that is to be used to offset educational costs.

The Great Lakes Transportation Enterprise Institute (GLTEI) Scholarship Award is for students pursuing transportation operations in their studies, with an emphasis on academic excellence, service to the community, and leadership. The scholarship consists of a \$1,000 award that is to be used to offset educational costs.

Eligibility

To be eligible for these scholarships, you must be enrolled full time for the current academic year in a bachelors or masters (not doctorate) program at a Wisconsin college or university with course work and transportation-related career goal emphasis in engineering, planning, economics, public administration, public policy or transportation technology.

Applications must be accompanied by a letter of recommendation or nomination from a faculty member. No family member of any ITS Wisconsin board member is eligible to apply for or receive this scholarship award. A student can win the award only once.

Selection Criteria

Upon nomination, candidates will be evaluated on the basis of:

- Academic performance, including transportation emphasis
- Education plans and career goals, with preference toward transportation
- Extracurricular activities
- Statement of interest
- GLTEI (added emphasis on community service and leadership)

Terms and Conditions

The winners of the ITS Wisconsin Scholarship Awards will be announced at the ITS Wisconsin Transportation Conference on Thursday, October 29, 2020. This year's conference will be virtual. A check will be issued after the ITS Wisconsin Transportation Conference upon presentation of proof of enrollment in a full-time program conforming to stated educational objectives.
