

2023 ITS Wisconsin Conference

October 19th, 2023
WCTC - Pewaukee, WI

CALL FOR ABSTRACTS

ITS Wisconsin invites interested parties to submit abstracts to participate in the 2023 ITS Wisconsin Transportation Conference to be held on **October 19th, 2023** in **Pewaukee, Wisconsin**. ITS Wisconsin seeks abstracts regarding intelligent transportation technologies, their application, and their benefits to our communities. The following are example topic areas:

- Automated and Connected Vehicles
- Transportation Systems Management and Operations
- Traffic and Incident Management
- Systems and Signal Performance Measures
- Integrated Corridor Management
- Artificial Intelligence
- Cybersecurity and Privacy
- Smart Cities
- Multimodal Systems
- Smart Work Zones
- Electrification
- Freight
- ITS Workforce
- ITS Policy and Funding
- HOT/Express Lanes/Tolling
- Emerging Technology
- Safety
- Mobility
- Equity

Abstracts should emphasize how technology helps transportation professionals to design, build, and operate safe, efficient, and environmentally responsible systems while advancing equity in our communities.

The deadline to submit abstracts is **June 02, 2023**.

Interested parties may complete the attached form.
