2024 ITS Wisconsin Project of the Year
DEADLINE: Friday, September 20, 2024

ITS Wisconsin's Project of the Year Award Program, since 2003, recognizes quality projects or initiatives based in the State of Wisconsin that leverage technology to enhance transportation mobility, safety, and economic activity. The program is open to all types and sizes of transportation technology projects completed in the last year or so, such as:

- Integrated Corridor Management Techniques
- Traffic Incident Management Programs
- Work Zone Traffic Management Tools
- Innovative Traffic Safety or Traffic Control Product Development
- ITS Regional Planning Initiatives
- Multimodal Traveler Information ITS Applications
- Transit Fleet Management
- Innovations Snow and Ice Management Tools
- Freight and Logistics Management
- Smart Parking Facilities

Each project or initiative will be judged based upon the following criteria:

- Engineering and Planning Innovation
- Safety Improvement
- Economic Impact
- Customer Satisfaction
- Environmental Impact Mitigation
- Innovative Partnerships and Stakeholder Involvement

The award will be presented during the ITS WI Transportation Conference on October 17, 2024. The recipient will receive a plaque and the project title will be added to the commemorative display of project awards at the Wisconsin Department of Transportation Wisconsin Traffic Management Center.

Provide the project information indicated on the following pages, or you may provide the same information in your own format. This will also be used for purposes of producing the award plaque and press materials.

Project Information Sheet
Please provide a narrative description of the project that reviews all significant aspects. The description should include a narrative of applicable project award criteria previously noted. Previously prepared summaries or descriptions are welcome.

Project Visuals
Please provide photos or images (higher resolution is better) of the project to be used for publicity purposes. Please include a signed photo release (see below). The winner will be asked to prepare brief presentation to be displayed at the ITS Wisconsin Transportation Conference with at least two weeks' notice prior to the ITS Wisconsin Transportation Conference.

The information you provide will be used on the plaque. Please make sure that you have included all the teams and companies that you want to appear.

Submittals, including all information requested above, should not exceed approximately 10 pages. Supporting media or websites may be referenced in the submittal.

"I understand that the contents of this entry package become the property of ITS Wisconsin and will not be returned. ITS Wisconsin will have the right to use all copy and photographs for publications without compensation and without claim by contestants against ITS Wisconsin or its members."

Electronic submittals constitute acceptance of terms and need not include this signature page.

Authorized Signature: _____ Date: _____

Print Name: _____

I authorize ITS Wisconsin to publish portions of this submittal on the ITS Wisconsin Website _____(initial)(optional)

Return this completed form electronically with other entry materials by Friday September 20, 2024 to Sia Prosper (sprosper@singhinc.com).

Electronic submissions are encouraged in PDF format. If email is not sufficient, please contact Sia Prosper at (414) 443-0840 x1188 to make alternate arrangements.
